There's more distillation in the Lowlands than any other Scottish region, but its days as a significant single malt player are consigned to history. This is the home of the blend, and of the large quantities of grain whisky which form its foundation – but a few producers keep up the trademark light and grassy Lowland malt style.

AILSAL BAY (ALE-sah Bay)

Ailsa Bay was built within Girvan grain distillery in 2007 to produce malt whisky for William Grant's range of blends. The first single malt, a heavily peated no-age-statement release, was launched in February 2016, after eight years of operation.

- | | | |
|-----------------------|-------|---------------|
| 1154 Ailsa Bay | 48.9% | £17.55 |
|-----------------------|-------|---------------|
- Creamy with sherried fruit, a touch of honey and spice on the nose. A sweet, malty, marmalade-like taste with a mellow malty and citrusy finish.

AUCHENTOSHAN (OCHun-TOShun)

Founded by Irish refugees in 1825 on the outskirts of Glasgow, Auchentoshan is one of the last active distilleries in the Lowlands. In common with other Lowland (and Irish) whiskies, Auchentoshan malt whisky is distilled three times (as opposed to most Scottish malt whisky, which is distilled twice). This triple-distillation has the effect of softening the flavour and body of the end product.

- | | | |
|---------------------------------------|-----|---------------|
| 3259 Auchentoshan American Oak | 40% | £12.15 |
|---------------------------------------|-----|---------------|
- Auchentoshan American Oak was introduced in 2014 to replace the Classic. Matured exclusively in first-fill bourbon casks, this is a vanilla-rich and fruity whisky.
- | | | |
|---|-----|---------------|
| 3679 Auchentoshan Bartender's Malt Annual Edition 01 | 47% | £14.15 |
|---|-----|---------------|
- The first edition of Auchentoshan Bartenders Malt was created by 12 competition-winning bartenders. Comprised of whiskies distilled between the 1970s and the early-2010s, this has notes of brioche, milk chocolate and dark apricots.
- | | | |
|------------------------------|-----|---------------|
| 622 Auchentoshan 12yr | 40% | £14.80 |
|------------------------------|-----|---------------|
- Cereals and exotic fruits on the nose with sherried tannins, a little sweet barley and vanilla in the mouth. Dry and very long finish, with a little sweetness from the barley.
- | | | |
|------------------------------------|-----|---------------|
| 625 Auchentoshan Three Wood | 43% | £15.55 |
|------------------------------------|-----|---------------|
- The ever-popular Auchentoshan 3 Wood is matured initially in bourbon casks before being finished in Oloroso then Pedro Ximénez casks for an extra layer of rich, sweet fruitiness.
- | | | |
|-------------------------------|-----|---------------|
| 1198 Auchentoshan 18yr | 43% | £23.40 |
|-------------------------------|-----|---------------|
- Rife with toasty oak and vanilla spice. Chocolate cake and a lovely grassiness. Toasty vanilla, dark nuttiness on the palate, with a malty finish, little custard and fresh flowers.
- | | | |
|-------------------------------------|-----|---------------|
| 623 Auchentoshan 18yr 1980's | 43% | £88.90 |
|-------------------------------------|-----|---------------|
- An old rectangular bottling of triple distilled Auchentoshan 18 year old, bottled at 43% for the French market. We estimate this bottle dates from the 1980s.
- | | | |
|---|-------|----------------|
| 624 Auchentoshan 1965 31yr Cask 2510 | 45.5% | £255.15 |
|---|-------|----------------|
- An old 1990s single cask bottling of cask strength Auchentoshan 1965, bottled at 31 years old. Lowland whiskies at this age are fairly rare and take on complexity, but keeping their lighter style, making an elegant malt.

BLADNOCH (*BLADnoch*)

Scotland's most southerly working distillery has an echoing connection with Northern Ireland. Built in 1817, the distillery was sold in 1911 by the founding McLelland family to the Belfast based whisky merchant Dunville & Co., who made their own whiskey in Ireland but were in need of stocks of Scotch to fulfil customer demand. As of July 2016, Bladnoch was scheduled to resume production by spring of 2017, with much new equipment, including four 5 tonne mash tuns, six Douglas Fir wooden washbacks, two 12,500 litre capacity wash stills, two 9,500 litre capacity low wines stills, and a steam boiler that will be fuelled with LPG. In late 2016, Prior officially relaunched Bladnoch, and announced three new expressions, created from aged stocks by master distiller Ian MacMillan: the no age statement Samsara, the 15-year-old Adela and the 25-year-old Talia.

- | | | | |
|-------------|--|-------|---------------|
| 662 | Bladnoch 19yr | 54.5% | £27.90 |
| | Dry earthy dark chocolate notes balance wonderfully with the citric nose of this pale golden dram. | | |
| 3878 | Bladnoch Adela 15 Yr Sherry Cask | 46.7% | £29.90 |
| | Adela is the 15-year-old offering from the revitalised Bladnoch distillery in the Lowlands. Matured in oloroso-sherry casks, this is rich and sweet with notes of dark chocolate, dried fruit, coffee and liquorice. | | |

GLENKINCHIE (*glen KINsee*)

Founded in 1825 in the outlying farmland around Edinburgh as Milton distillery (before being renamed in 1837), Glenkinchie languished in obscurity for over 150 years before becoming an international brand almost overnight at the end of the 1980s. Prior to this time, the distillery's main claims to fame were as one of the five original Lowland distillers to found Scottish Malt Distillers Ltd; and as one of very few distilleries to continue production throughout the Second World War.

- | | | | |
|-------------|--|-------|---------------|
| 833 | Glenkinchie 12yr | 43% | £14.30 |
| | The nose is quite light, yet fragrant, fresh cereal and grist, some barley sweetness and a nutty note. The palate is very fruity with notes of Madeira and sweet stewed fruits. A hint of calvados and tannic oak lining the mouth. The finish is of medium length with notes of cereal and a fresh greenness. | | |
| 834 | Glenkinchie 2003 Distillers Edition | 43% | £18.25 |
| | This 2003 vintage Distillers Edition from Glenkinchie has been finished in Amontillado sherry casks for an extra burst of rounded flavour. This was aged for more than a decade before being bottled in 2015. | | |
| 1126 | Glenkinchie 20yr | 58.4% | £47.40 |
| | A rare & unusual bottling, this Glenkinchie is a muscular 58.4% & has had 10 years in refill casks & then another 10 in brandy casks. A beautiful whisky & near impossible to find. | | |

INVERLEVEN (*In-ver-LE-ven*)

Inverleven was part of the gigantic distilling complex built in Dumbarton in 1938 by the famous Canadian distillery company Hiram Walker, makers of Canadian Club, to provide filling for their newly-acquired Ballantine's blend. Hiram Walker's had also bought Miltonduff and Glenburgie for the same purpose, and later acquired Scapa. During their operating lifetimes all the production at Dumbarton, Lomond and Inverleven went into Ballantine's and there were never any official bottlings of either of the single malts. However, enterprising independent bottlers have released a handful of bottlings of Inverleven, which has been described by Michael Jackson as "Perfumy, fruity, oily. With a summer salad when young; with nuts at Christmas when older."

- | | | | |
|------------|---|-------|---------------|
| 897 | Inverleven 1973 36yr 'Deoch an Doras' | 48.9% | £57.40 |
| | A 1973 vintage whisky from Inverleven, a malt distillery that operated from within the Dumbarton grain distillery complex until 1991. This is part of Chivas Brothers's Deoch an Doras series, roughly translated as 'One for the road', and was bottled in 2011 at 37 years old. | | |

LADYBURN (Mothballed) (lady burn)

A short lived, 'Rare Ayrshire' whisky, closed in the mid-1970s. There have been both official and independent bottlings released, but they remain few and far between, making whisky from the distillery sought-after and very collectible. Part of the Girvan complex built by William Grant's in the early 1960s to provide filling for its 'Grant's' blend, Ladyburn began operation in 1966, but closed just nine years later.

- | | | | |
|------------|---------------------------|-------|----------------|
| 925 | Ladyburn 1973 27yr | 50.4% | £223.00 |
|------------|---------------------------|-------|----------------|
- The nose is quite light and dry with notes of heather roots, a touch of wood, waxy honeysuckle and blossom. There is a delicate barley sweetness. The palate is quite dry and of medium-body. There is a hint of zesty citrus with honeyed sweetness, a touch of spice and pepper with a pungent honeycomb waxiness. The oak develops with dryness and chewy tannins. The finish is long, with a touch of acacia honey sweetness and dry peppery oak. Only 3000 bottles produced.

LITTLEMILL (Mothballed) (little mill)

Another of the many lost Lowlanders, Littlemill produced whisky until 1994. Since then a fire and deliberate demolition have removed almost all traces of the distillery. Occasional new independent releases appear, as well as the odd old bottle. Littlemill's attractive, floral malt was bottled as an 8 year-old in earlier incarnations, but the official bottling is now a 12 year-old. It is believed that reasonably good stocks are still available for bottling, although that quantity is obviously now finite and will be used up eventually.

- | | | | |
|------------|-----------------------|-----|---------------|
| 944 | Littlemill 8yr | 40% | £26.00 |
|------------|-----------------------|-----|---------------|
- An old bottling of Littlemill 8 year old, which we estimate dates from the end of the distillery's operation period in the 1990s. The distillery closed for good in 1992 and is now a block of flats.

ROSEBANK (Mothballed) (rose bank)

Generally considered to be the best of the closed Lowland single malt distilleries, whiskies from Rosebank are increasingly scarce. A lost classic. Young Rosebank's tend to be floral and aromatic; older expressions can be more robust and spicy, but with glorious depth. Stocks of the last Flora and Fauna batch (awarded 95 points in Jim Murray's Whisky Bible 2007) are still available, along with several independent bottlings, but prices for what is generally acknowledged as the best Lowland malt will continue to rise as the supply of maturing casks runs out.

- | | | | |
|-------------|--|-----|---------------|
| 1043 | Rosebank 12yr 'Flora & Fauna' | 43% | £47.40 |
|-------------|--|-----|---------------|
- Official bottling from the much-mourned Rosebank distillery that closed in 1993. This remains the classic Lowland, with delicacy and finesse without ever becoming boring. Floral and fresh with an attractive zing, it is a delightful springtime or summer dram.
- | | | | |
|-------------|------------------------------------|-----|----------------|
| 1051 | Rosebank Ceramic 15yr 1970s | 43% | £100.45 |
|-------------|------------------------------------|-----|----------------|
- A ceramic bottle of 15 year old Rosebank. Sadly closed in 1993, the distillery was known for producing a richer and more complex style than it's Lowland neighbours and bottlings are much sought after. We estimate this was bottled in the 1970s.
- | | | | |
|-------------|---|-------|----------------|
| 1045 | Rosebank 1981 16yr Bot. 1997 'Flora & Fauna' | 63.9% | £111.40 |
|-------------|---|-------|----------------|
- The rare 1981 vintage Rosebank Flora & Fauna, bottled in 1997 as one of the select few whiskies in the range to get a cask strength version. Big, full and extremely spicy, with a massive abv for the age and some delicious polished maltiness.
- | | | | |
|-------------|--|-----|----------------|
| 1050 | Rosebank White Label Bot. 1970s | 43% | £200.70 |
|-------------|--|-----|----------------|
- A 1970s own bottling of now closed Rosebank, with their old white label. SUPER RARE!

ST. MAGDALENE (Mothballed) (st MĀGdelain)

A legendary lost distillery, also known as Linlithgow, closed in 1983. Despite a capacity of around 200,000 gallons a year of production, there were no official bottlings during its lifetime, and most malt fans had barely heard of it until a series of stunning Rare Malt bottlings (as St. Magdalene) in the mid-to-late 1990s. It is now one of the most lamented lost distilleries (the buildings have been converted to private housing), and Rare Malt bottlings are hungrily seized upon by aficionados and collectors alike.

1073	St Magdalene 1964 17yr Connoisseurs Choice G&M	40%	£95.50
	A very rare bottling from St Magdalene distillery. This 1964 vintage whisky has been matured for 17 years and bottled by Gordon & Macphail for their Connoisseurs Choice series. We can't get enough of these old-style brown labels.		
1075	St Magdalene 1982 26yr Cask 2219 'Dun Bheagan'	50%	£131.50
	Bottled in 2009 of only 390 bottles, this extremely rare St Magdalene is non-chill filtered and presented at its natural colour. Bottled by William Maxwell & Co.		
1074	St Magdalene 1979 19yr 'Rare Malts Series'	63.8%	£189.75
	St Magdalene's 1979 entry in the Rare Malts series. This is one of the few official bottlings that made it out of the distillery. It's an excellent malt, picking up a stack of 90+ scores from the Malt Maniacs.		

HIGHLANDS

Scotland's largest whisky region boasts a dizzying array of styles, from rich and textured to fragrantly floral, as befits an ever-changing landscape of coastline, moor and mountain. Even without the famed Speyside enclave, you'll find some of whisky's most famous names here – and some of its most fiercely individual spirits.

ABERFELDY (*aberFELdy*)

Aberfeldy Distillery is the home of the highly-acclaimed Aberfeldy 12 and Aberfeldy 21 single malt Scotch Whisky. The distillery is located where Perthshire's highest mountain, deepest loch, and longest glen meet, and is historically and geographically the 'Heart of Scotland'. Aberfeldy's main claim to fame is as the heart of the excellent Dewar's blend.

- | | | | |
|------------|-----------------------|-----|---------------|
| 600 | Aberfeldy 12yr | 40% | £14.00 |
|------------|-----------------------|-----|---------------|
- Creamy with sherried fruit, a touch of honey and spice on the nose. A sweet, malty, marmalade-like taste with a mellow malty and citrusy finish.

ARDMORE (*ar-dMORE*)

Ardmore is a Highland distillery near Aberdeen. It is currently owned by Jim Beam Global and is a large distillery, with 95% of the 5 million litres of whisky produced there each year going to their flagship blend, Teacher's Highland Cream.

- | | | | |
|------------|--------------------------------------|-----|---------------|
| 689 | Ardmore 12yr Port Wood Finish | 46% | £14.75 |
|------------|--------------------------------------|-----|---------------|
- Ardmore 12 Year Old Port Wood Finish was a 2015 addition to the distillery's core range. Aged initially in American white oak ex-bourbon barrels, it was finished in port pipes, resulting in a whisky with notes of apple, honey and smoke.
- | | | | |
|-------------|----------------------------|-----|---------------|
| 1138 | Ardmore Traditional | 46% | £16.10 |
|-------------|----------------------------|-----|---------------|
- If you've yet to get into peaty whisky this is the place to start. Gentle peat with lovely vanilla coming from American quarter casks.

BALBLAIR (*balBLAIR*)

One of Scotland's oldest distilleries, Balblair was founded in 1790 by John Ross. The distillery lies in Edderton in the Northern Highlands, surrounded by rugged mountains, from whence the Allt Dearg - Balblair's water source - springs.

- | | | | |
|------------|---|-----|---------------|
| 629 | Balblair 1997 2nd Release | 43% | £21.45 |
|------------|---|-----|---------------|
- Crisp, herbal notes with berries and barley. Followed by a sweet but earthy mouth leading to a fruity robustness that finishes with silken vanilla and warm pastries.
- | | | | |
|------------|---|-----|---------------|
| 628 | Balblair 1989 3rd Release | 43% | £26.60 |
|------------|---|-----|---------------|
- Vanilla and spicy oak abound on the nose. Soft and sweet on the palate, yet full and voluptuous. Cereal and vanilla notes are subtly pushed back into a long and creamy finish.
- | | | | |
|-------------|---|-------|---------------|
| 3958 | Balblair 19yr Art of Whisky Bottling | 55.9% | £29.25 |
|-------------|---|-------|---------------|
- Celebrating the Art of Whisky Mashing, this beautifully-bottled Balblair has notes of apples, hazelnuts, sugar-coated almonds and honeysuckle. Part of the 'Art of Whisky' series produced for the Whisky Show 2017.

BEN NEVIS (*ben NEVis*)

Located at Lochy Bridge in Fort William and sitting just at the base of Ben Nevis, the highest mountain in the British Isles, which rises to 4,409 feet above sea level. A coastal distillery in the Western Highlands, Ben Nevis draws its water from the Allt a'Mhuilinn which originates from two pools, Coire Leis and Coire na'Ciste.

- | | | | |
|------------|---|-------|---------------|
| 695 | Ben Nevis 1996 15yr Sherry Cask No. 1653 | 57.5% | £24.85 |
|------------|---|-------|---------------|
- This was bottled in September 2012 after spending 15 years maturing in ex-sherry cask number 1653. Vanilla, dark bitter chocolate and buttered toast are plainly abundant.

- 3960 Ben Nevis 1996 20yr Single Malts of Scotland** 53.1% **£34.75**
 You don't see much well-aged Ben Nevis, so we're delighted with this release from Elixir Distillers. This 1996 vintage was aged in a sherry butt for 20 years, picking up a lot of colour as well as dried fruit and chocolate flavours.

BLAIR ATHOL (blair ATHol)

Blair Athol distillery was founded under the name 'Aldour' in Pitlochry in 1798, only taking its current name in 1825 following expansion work by the owner Robert Robertson. The distillery is located near Pitlochry in Perthshire and the liquid is used in Bell's Blended Scotch.

- 663 Blair Athol 12yr Flora & Fauna** 43% **£14.90**
 This expression has always tended towards the chunky, sherried style, with spices and oak adding complexity to rich maltiness and Christmas pudding notes plain to see. Blair Athol does not receive the acclaim it so thoroughly deserves.

BRORA (Mothballed) (BRORA)

A cult malt with a sad story to tell. Originally known as Clynelish, this distillery became a victim of its own success when a new distillery was built alongside it to increase capacity only a few years before the slump of the late Seventies and early Eighties. The new distillery took over the name, and the old distillery was renamed and limped on until being mothballed in 1983.

- 674 Brora 30 Year Old - 3rd Release (Special Release 2004)** 55.7% **£189.75**
 Gorgeous fruit, with much less emphasis on smoke & peat this time. One of the best whiskies we've ever tasted here at Boisdale and that is no mean feat. Only 3000 bottles made and unfortunately not many left.
- 671 Brora 1972 Connoisseurs Choice G&M Bottled 2003** 40% **£223.00**
 One of several legendary 1972 Brora's bottled by Gordon & MacPhail for their Connoisseurs Choice Range. Expect wax, vanilla, butterscotch, almonds and of course big peat. Sensational whisky that is sadly getting harder and harder to find.

CLYNELISH (cleinLISH)

Built in 1967 in a rural setting in the Northern Highlands opposite its now-silent sister distillery, Brora, Clynelish has continued to produce a muscular, slightly peaty whisky much valued by blenders – it is one of the base spirits for the excellent Johnnie Walker Gold Label.

- 1113 Clynelish 14yr** 46% **£13.65**
 Rich and complex, this unfolds slowly and has richness, balance, texture, sweet waxy fruits and a lift of smoke. Some package.
- 710 Clynelish 1992 Distillers Edition** 46% **£21.10**
 An aroma of rum, raisins, chocolate, oranges and apples gives way to a chewy body, with notes of dried fruits, macadamia nuts, hazelnuts, coffee and butterscotch, and ultimately leads to a long finish accented by caramel and cinnamon.
- 707 Clynelish 1972 24yr Rare Malts** 61.3% **£55.85**
 A 1972 vintage Clynelish released as part of Diageo's Rare Malts series. Despite spending 24 years maturing it is still at a whopping cask strength of 61.3%.
- 711 Clynelish 1997 Manager's Choice** 58.5% **£62.95**
 This series is a collection of single cask whiskies that were selected on the 17th of April to best represent the 27 single malt distilleries owned by Diageo. First fill American Bourbon casks and aged for 11 years.

- 708 Clynelish 1982 Flora & Fauna Cask Strength** 57.7% **£63.65**
 One of the rare cask strength series of Flora And Fauna bottling. This Clynelish was one of the highlights of that series. One of those super oily, old style drams that recalls the old pre-Brora Clynelish of old.

DALMORE (dalMORE)

Dalmore distillery was built in 1839 by Alexander Matheson, who immediately leased it to the Sunderland family, who ran it for over thirty years until 1869, when the lease was taken over by three Mackenzie brothers, Alexander, Charles and Andrew.

- 730 Dalmore 12yr** 40% **£13.60**
 Dalmore 12 is aged for the first nine years in American white oak ex-bourbon casks, before half is transferred to ex-oloroso sherry casks for the final three years. The result is a whisky with a combination of sweetness and rich, sherried flavours.
- 731 Dalmore 15yr** 40% **£16.20**
 15 years in bespoke Matusalem, Apostoles and Amoroso sherry butts from Jerez de la Frontera have been elemental. It is elegant and smooth, with lip-smacking texture and the flawless balance one would expect from blending maestro Richard Paterson.
- 736 Dalmore Cigar Malt Reserve** 40% **£21.35**
 The Dalmore Cigar Malt Reserve benefits from a selection of stocks drawn from casks of 3 types: American white oak ex-bourbon casks, 30 year old Matusalem sherry butts and premier cru Cabernet Sauvignon wine barriques. The perfect pairing is the hefty Partagas Serie D No. 4.
- 732 Dalmore 18yr** 43% **£28.75**
 The 18 year old malt is as rich, fruity and spicy as you could ever want from a Dalmore. Kudos to Richard Paterson for creating another veritable chocolate orange of a whisky - a sure-fire hit, and great for the colder months. It is aged for 14 years in American oak, followed by three years in Matusalem sherry butts, before a final year in sherry butts.

DALWHINNIE (dalWHINNIE)

Dalwhinnie was the highest working distillery in Scotland between 2002 and 2008, but the re-opening of Braeval in July of that year has robbed the distillery of that title. However, the villagers can take cold comfort from the fact that their Grampian location still retains the lowest average annual temperature in Scotland (6°C).

- 740 Dalwhinnie 15yr** 43% **£14.45**
 Elegant, smooth and medium-bodied with a light, fruity palate and a whiff of heather on the finish.

742	Dalwhinnie 36yr	47.2%	£111.40
	One of the early Diageo Special Releases, this cask-strength Dalwhinnie was bottled in 2002. An intensely-flavoured dram, with natural honey and more than a whiff of smoke, this is the oldest-ever official expression of Dalwhinnie, and arguably the best.		

DEANSTON (deanston)

Deanston is housed in a former cotton mill in the central Highlands that dates back to the late eighteenth century. The buildings were converted in to a distillery in 1966. It was acquired by Invergordon in 1972, but ceased production in 1982 and was mothballed until 1990, when it was bought and re-opened by Burn Stewart Distillers.

	A 2015 addition to the Deanston range, this expression has been matured for 18 years, including a finishing period in first fill Kentucky bourbon casks. It was bottled without chill filtration at 46.3% ABV. Oodles of rich honey, luxurious vanilla, sugary shortbread and a touch of fresh ginger.		

EDRADOUR (edradAur)

Edradour is one of the smallest distilleries in Scotland. Production is overseen by just three men, including the distillery manager, and the distillery's output is just 12 barrels (600 gallons) per week from four wash runs.

751	Edradour 10yr	40%	£14.70
	Edradour is one of Scotland's smallest distilleries and at the heart of the range, this 10 year old Eastern Highlander is a rather unique single malt, a decidedly rum-like dram with a thick mouthfeel.

GLEN ALBYN (*Mothballed*) (*glen ALbin*)

Glen Albyn was founded in Inverness on the site of a ruined brewery / malt kilning in 1846 by James Sutherland, a local landowner and Mayor of the town. The buildings were demolished three years later - the site is now a shopping complex.

The nose is light and smooth, gentle smoke and toasted oak. There are hints of heather and notes of toasty cereal with barley sweetness. The palate is of medium-body with exceptional balance. Cut flowers and rubbed petals, barley sugar and grist prevail, charred oak and a very faint smoke. The finish is of medium-length with notes of oily nuts and espresso.

GLENCADAM (*glen kadam*)

This pretty and immaculately maintained distillery opened for business in 1825, just one year after legitimate distilling on a large scale was legalized. Since then a number of owners have operated the distillery and produced Glencadam malt in their blends. Happily, each owner was careful not to spoil the charming character of Glencadam.

- 788 Glencadam 15yr** 46% **£14.55**
Glencadam 15 has gone from strength to strength since a packaging facelift in 2009, at which time the strength was upped to 46% by owners Angus Dundee, who took over the distillery from Allied in 2003. An under sung distillery that is now starting to stretch its wings with some very good value for money whiskies. Shortlist for TWE's Whisky of the Year 2013

GLENDRONACH (*glen DRONach*)

Glendronach was founded in 1826 by James Allardice (also spelt Allardyce and Allardes), and almost completely destroyed by fire a decade later. After the rebuild, Allardice - a colourful character - is rumoured to have accidentally ensured the popularity of his whisky in Edinburgh in the 1840s by gifting a quantity of it to some local prostitutes after a failed sales trip to the city.

- 790 Glendronach 12yr Original** 40% **£15.15**
A dense, heavily-sherried dram from a distillery now producing again after a six-year layoff. A malt best suited to after-dinner sipping. A solid sherried whisky sitting at the bottom of the Glendronach range but punching above well above its price-point.
- 792 Glendronach 18yr Allardice Sherry Cask** 46% **£20.45**
Just like the 15yo, Glendronach Allardice 18yo (named after the distillery's founder) has been 100% matured in oloroso sherry casks. Very rich and full bodied, an abundance of orange, ginger, dark chocolate and Christmas cake.

791	Glendronach 15yr Revival Sherry Cask No longer produced, this classic Speysider is a fruity wee beastie of a whisky. Matured in Oloroso sherry casks, this was awarded a Silver Medal at the 2009 Malt Maniacs Awards.	46%	£34.30

Located upon the Highland Line, the division between the Highlands and Lowlands of Scotland, Glengoyne's stills are in the Highlands while maturing casks of whisky rest across the road in the Lowlands. GLEN MHOR (Mothballed) (glen VHOR)

In 1972, the distillery was sold to *Distillers Company Limited* (DCL) by William Birnie, the son of John Birnie. In 1980, the malthouse was closed down for reasons of cost and the malt moved from outside. On 8 March 1983 the last burn was made, the final closure of the distillery on account of its unprofessionality. The water from the distillery belonging to the Highlands / Northern Highlands region came from the River Ness, as is the case with Glen Albyn.

SPEYSIDE

Geographically, Speyside is a region in Morayshire within the Highlands of Scotland. For whisky purposes, it is distinguished as a sub-region of the Highlands due to the concentration of distilleries in the area and some stylistic similarities between them. Broadly speaking, Speyside whiskies can be classified as falling into one of two camps. At one end of the spectrum there are the light, grassy, 'lunchtime whiskies' such as Glenlivet; at the other end lie the rich, sweet, sherried qualities of Glenrothes and Macallan.

The two distillery ran concurrently until 1985, when the original distillery was mothballed and converted into a workshop for distillery engineers. During this time, the malt from the two distilleries was vatted together, a practice that would not be permitted these days.

GLENFIDDICH (glen FIDDICH)

Glenfiddich is a Speyside single malt Scotch whisky owned and produced by William Grant & Sons in Dufftown, Scotland. Glenfiddich means 'Valley of the Deer' in Scottish Gaelic, hence the presence of a stag symbol on Glenfiddich bottles. The Glenfiddich Distillery was founded in 1886 by William Grant in Dufftown, Scotland, in the glen of the River Fiddich. Glenfiddich whisky is produced at the Glenfiddich Distillery in Dufftown. The water source is the Robbie Dhu springs. Glenfiddich is matured in oak casks such as rum casks from the Caribbean (in the case of 21-year-old Gran Reserva), Bourbon whiskey barrels from America (Ancient Reserve), or sherry butts from Jerez in Spain. Glenfiddich is the world's best-selling single-malt whisky and also the most awarded at the International Spirits Challenge.

GLEN KEITH (glen keith)

Glen Keith is a distillery built by and owned by Chivas Brothers within eyesight of their centre piece distillery, the picturesque Strathisla Distillery. Glen Keith is a modern distillery. When it opened in 1958, it was the first new distillery to open in Speyside since the great whisky crash of 1898. It therefore contrasts markedly with Strathisla - the oldest in Scotland. The output of the distillery was originally used in blends such as Chivas Regal, Passport and 100 Pipers but Chivas Brothers also used it as a laboratory for experiments with innovations in production and processing, for example developing their own strains of yeast.

773	Glen Keith 1968 Connoisseurs Choice Gordon & MacPhail A rare and complex bottling from the Connoisseur's choice range from Gordon and Macphail. GLENLOSSIE (*glen LOSSee*)

Glenlossie is a whisky brand near Elgin, Scotland. The distillery was founded in 1876 by John Duff. The water of the distillery belonging to the Speyside region comes from Bardon Burn, as is the nearby Mannochemore distillery. Given that Glenlossie was named as one of only twelve 'top class' malts by blenders in 1974, it is perhaps surprising that the distillery is so little-known. The reason, however, is easy to determine - the blender's high regard means that demand for Glenlossie remains extremely high, and as a result less than 1% of the distillery's output is kept back for single malt.

845	Glenlossie 10yr 'Flora and Fauna' Very little seen Glenlossie, Diageo's blend fodder Speyside workhorse. The only distillery bottling of Glenlossie, other than a Manager's Dram. Almost all of their whisky goes into Diageo's blends, which is a shame as this is a classic spicy Speysider	43%	£14.55

GLENROTHES (*glen ROTtus*)

The Glenrothes is a single malt Scotch whisky, produced at the Glenrothes Distillery, beside the Burn of Rothes in the Speyside region. Glenrothes is used in blended scotch whiskies such as Cutty Sark and The Famous Grouse. The Glenrothes is different from many other single malts in that since 1993 the bottlings are not determined by age but by vintage. The Glenrothes is mainly matured in Spanish ex-Sherry casks, and some ex-Bourbon casks. The house style is a warming, mouth-coating creamy spirit, with the classic Speyside "pear drop" character. Thanks to its ageing and production, Glenrothes whisky is known for its spicy, rich character.

GLEN SPEY (glen spey)

The Glen Spey distillery is a single malt Scotch whisky distillery in Rothes, Aberlour, Banffshire at the centre of the Speyside whisky producing area of Scotland. Glen Spey (along with Glenlossie and Strathmill) continues to use 'purifiers'. Purifiers act as small condensers, returning a proportion of the alcohol vapours back to the pot to be re-distilled. So, this would increase the amount of 'reflux' within the pot stills. This results in a lighter spirit.

- 967 Macallan 1946 56yr Cask 46** 44.3% **£2718.40**
 This Macallan 1946 is rather unusual, in that it was made with peated malt due to the high post war prices of coal. It also happens to be one of the greatest Macallans ever released in our opinion. The initial release of this was quite large and took a while for the distillery to sell, but it is now recognised as a classic Macallan and its reputation is assured

MACDUFF (MACK duff)

Macduff distillery is in Macduff in the Highland whisky producing area of Scotland and was founded in 1962. During its history, the distillery's official name has fluctuated between Glen Deveron and MacDuff with official bottlings mostly having been released under the former. - 759 Glen Deveron 10yr** 40% **£12.10**
 An official bottling of 10yo single malt from the Macduff distillery. Previous bottlings of Glen Deveron have been vintage releases - perhaps the dropping of the vintage statement indicates that bigger batches are being created, which might suggest that demand for this neglected malt is going up.

MORTLACH (*mòrtLACH*)

'The Beast of Dufftown', well known for its robust spirit and ability to stand up to long maturation, especially in sherry casks. Island single malts is a general term for single malt Scotch whiskies produced on the islands around the perimeter of the Scottish mainland. Scapa is a small distillery is situated in the Orkney archipelago near Highland Park. The nearby Scapa Flow is a stretch of water between the North Sea and the Atlantic ocean. CAMPBELTOWN

Campbeltown was once a thriving malt whisky region of no fewer than 34 distilleries – no mean feat for a small and remote settlement at the bottom of the long Kintyre peninsula. Now only three producers remain, but they make up for their paucity by producing five distinctive malt whiskies between them. Campbeltown's whisky-making fame endured the length of the 1800s, and even after its 34 distilleries were all but halved in number by a slump in the 1850s, its distinctive style was still highly prized at the dawn of the 20th century. What followed was a catastrophic fall from grace, brought about by a number of factors, including improved transportation links to the rival distilleries of the remote north, and a decline in quality as unscrupulous distillers cut corners and churned out mass-produced rotgut.

GLENGYLE (*glen GUYull*)

William Mitchell founded the original Glengyle distillery in 1872, and subsequently sold it in 1919. In 1925 the distillery was closed down. Over 75 years later, Mr Hedley Wright, the current chairman of J&A Mitchell & Co Ltd and the great-great nephew of William Mitchell, bought the old buildings, which had been lying empty for several years, and made the re-opening of Mitchell's Glengyle Distillery in 2004 a reality.

GLEN SCOTIA (*glen SCosha*)

Glen Scotia distillery was founded in 1832 in Campbeltown, Scotland. Glen Scotia is one of the smallest distilleries in Scotland. SPRINGBANK (*springbank*)

Springbank distillery is one of the last surviving producers of Campbeltown Single Malts. The distillery, located on the southern Kintyre peninsula, produces three distinct types of single malt Scotch whisky. Springbank is one of only two distilleries in Scotland to perform every step in the whisky making process, from malting the barley to bottling the spirit, on same premises. Nearly all of its whisky is sold as a single malt, with little of it finding its way into blends.

ISLAY

The southernmost of its island chain, Islay is known as 'The Queen of the Hebrides' – and is certainly the reigning monarch of a typically smoky, peaty style of single malt whisky. But there's much more to this beating heart of distillation, which has eight active producers – and more to come. Amid all the talk of Islay's famous active distilleries, the island also boasts one of the most legendary of 'lost' producers: Port Ellen, which closed its doors in 1983. Its strongly smoky, turfy flavours were an artist's study of the most typical Islay style and its whiskies remain among the most sought-after.

ARDBEG (*ar-d-BEG*)

Ardbeg Distillery is a Scotch whisky distillery in Ardbeg on the south coast of the isle of Islay, Argyll and Bute, Scotland, in the Inner Hebrides group of islands and was founded in 1815. It produces a heavily peated Islay whisky and uses malted barley sourced from the malting's in Port Ellen. Ardbeg seldom release whiskies with age statements. Ardbeg often bottles its whisky at a higher alcohol by volume (abv) than the minimum 40%, and they no longer chill filter their whisky. Both of these measures are thought to yield a more full-flavoured whisky.

609	Ardbeg 10yr For peat lovers, Ardbeg 10 Year Old is probably the highest-quality 'entry-level' single malt on the market, and the distillery many Islay connoisseurs would choose as their favourite. A whirlwind of peat and complex malty flavours. Whisky Bible Awards 2012: Best Single Malt Scotch of the Year, 10 Years and Under	46%	£13.60
3654	Ardbeg An Oa The first addition to Ardbeg's ongoing range for a decade when introduced in 2017, An Oa is a combination of spirit aged in Pedro-Ximenez sherry casks and bourbon barrels. Married in a French-oak marrying vat, this is rounded and smoky with notes of toffee, aniseed, date and banana.	46.6%	£15.60
617	Ardbeg Uigeadail A fine drop of Ardbeg bottled at cask strength. A marriage of Ardbeg from bourbon barrels and sherry butts which gives a sweet and smoky finish to this malt. Uigeadail is the loch from which all Ardbeg water flows. An absolutely stunning whisky, and following the demise of Airigh nam Beist, this probably represents the best value in the core range.	54.2%	£15.70
615	Ardbeg Corryvreckan As a replacement for the much-loved 1990 Airigh nam Beist, Ardbeg Corryvreckan had some pretty big shoes to fill, but the good news is that this is a belter, winning World's Best Single Malt Whisky at the World Whisky Awards 2010 and Best No Age Statement Scotch from Jim Murray's Whisky Bible.	57.1%	£19.15
3674	Ardbeg Kelpie The 2017 release for Ardbeg Day is Kelpie. A combination of whiskies aged in virgin Black-Sea oak casks and bourbon barrels, this is rich and intense with notes of pepper, treacle toffee, Turkish coffee, dark chocolate and smoky bacon.	46%	£28.05
613	Ardbeg 1998 'Almost There' Following on from Very Young and Still Young, Ardbeg Almost There showed the final stage in the evolution of young cask-strength Ardbeg 1998 before it blossomed into the Renaissance 10 yr-old. As you would expect, this is a mellower, more rounded, better balanced dram than the younger incarnations.	54.1%	£39.70
614	Ardbeg Blasda One of the most talked-about releases of 2008: Ardbeg Blasda is a lesser-peated version of many people's favourite Islay malt, being just 8ppm in bottle (as opposed to the standard 10yo's 23ppm).	40%	£46.30
616	Ardbeg Supernova 2010 This is the peatiest Ardbeg ever at over 100ppm. This is the 2010 version of Ardbeg Supernova, and no doubt will be hoping to follow on from the success of last year's edition, which scooped Scotch Whisky of the Year from Jim Murray's Whisky Bible 2010.	60.1%	£85.00
1151	Ardbeg 'Very Young' 1997 Committee Reserve – for	58.9%	£199.60

Discussion

This bottling was released especially for members of the Ardbeg Committee (the free to join distillery club). A 6 year old, this was the first release entirely using spirit distilled since the distillery reopened in 1997. The idea was that comments were welcomed from the committee, hence the 'For Discussion...' branding.

611	Ardbeg 1976 31yr Cask 2397	52.4%	£227.75
	A big sherried Ardbeg, this single cask is from a 1976 batch of sherry casks that took Ardbeg's reputation into the stratosphere. A legendary release matured for 31 years in a sherry butt and bottled at cask strength in 2008.		
763	Ardbeg 25 Year Old Lord of the Isles	46%	£223.00
	At 25 years old this whisky embodies the richness, depth and sweetness of all Ardbegs. Light gold in colour and powerful in character. A phenomenal, much-sought-after bottling of a really outstanding malt.		
610	Ardbeg 1972 Cask 866	48.3%	£558.05
	A cask-strength Ardbeg from the hugely desirable 1972 vintage, bottled from a single bourbon cask for Oddbins in 2004. Even that far back, Ardbeg mania was already in full effect - this bottling was said to have sold out in under two hours, and that was even before whisky guru Serge of Whiskyfun had given it 93 points...		

BOWMORE (bowMORE)

Bowmore was the first of Islay's distilleries to receive a licence, springing fully-formed into official existence in 1779. It is likely that the founder of the distillery, one William Simson, had been distilling in Bowmore since shortly after his arrival in 1766, at a time when Daniel Campbell the Younger (the laird of the island) was expanding the village into the island's capital. The distillery passed through four owners before 1963, when it was bought by the Morrison family, who sold to the Japanese whisky company Suntory in 1994.

664	Bowmore 12yr	40%	£14.80
	The heart of the Bowmore range, the 12 year old exhibits some beautiful coastal notes with a gentle peat, it is the balance that the floral element presents that makes this a great entry bottling for Bowmore.		
665	Bowmore 15yr Darkest	43%	£18.95

	For many people, this is the best standard bottling Bowmore, with a well-rounded palate, great complexity, and citrus, chocolate and brine mingling with the peat.

BRUICHLADDICH (*BRooich-LADDich*)

Bruichladdich Distillery is a distillery on the Rhinns of the isle of Islay, the westernmost part of the island and was founded in 1881. The distillery produces mainly single malt Scotch whisky, but has also offered artisanal gin. One interpretation of the Gaelic word Bruichladdich is "stony shore bank", referring to a post-glacial raised beach, though an alternative, perhaps more pertinent translation may be "rocky lee shore". All the distillery's whiskies are sold as single malts, with those designated Bruichladdich being unpeated. All barley used is exclusively Scottish, some of which has been grown on Islay since 2004.

675	Bruichladdich 10yr Classic Laddie A long-awaited whisky from Bruichladdich - a 10 year old comprising solely of unpeated spirit produced since Murray McDavid took over the distillery at the turn of the century. 1023	Port Charlotte 2008 Islay Barley Released by Bruichladdich under the Port Charlotte name, as they do for all of their peated releases (minus the super-peated Octomore bottlings), is a bit special; it's made with barley grown on the island of Islay. The barley was harvested from six farms in 2008, peated to 40PPM and distilled in December that same year.	50%	£20.35
3690	Octomore Scottish Barley Masterclass Edition 08.1 The first release in Octomore's four-strong Masterclass series, 8.1 is made using Scottish barley and is peated to 167ppm. Aged in American-oak barrels, this is fruity and smoky with notes of vanilla, melon, citrus and marzipan.	59.3%	£28.05
678	Bruichladdich 15yr – 1st Edition One of the best ongoing bottlings from this great distillery. This is more lightly peated, allowing its fresh, coastal maritime character to shine through. This is a real gem, the extra aging in Sauterne casks adds a beautiful sweetness.	46%	£34.30

Octomore Edition 07.1 is master distiller Jim McEwan's swansong after 52 years in the industry. Made using Scottish barley and matured for five years in American oak, this super-heavily-peated whisky is at 208ppm. A big and bold dram that's a fitting farewell.

679	Bruichladdich Islay Barley Rockside Farm 2007 Made from barley harvested at Rockside Farm, Islay, in 2006 and distilled in 2007. The specially selected grain, the slow distillation and carefully considered casks were vital in creating this iconic unpeated single malt. Honed, muscular and lithe. The texture is rich and robust with the maltiness of the barley very much at the fore.	50%	£42.90
680	Bruichladdich Black Arts III The 'Black Art' of distiller Jim McEwan. Classic proportions with a texture that is gorgeous. BUNNAHABHAIN (*boonahAven*)

The Bunnahabhain distillery lies on the peaceful, sheltered north-eastern coast of Islay, the most southerly of the Hebridean Islands. Built in 1881 its name comes from the Gaelic, Bunnahabhain (Bu-na-ha-venn), meaning 'mouth of the river', a reference to the Margadale, the river from whose clear Spring waters the whisky is distilled. A very lightly peated malted barley is then used for distillation before ageing in cask for 12 years. This is why Bunnahabhain is known as a more subtle of the Islay Malts, with a distinctive oiliness and whiff of sea air that set it apart from the almost universally peaty whiskies that are produced on the island. While the distillery does now also release smoky drams, it's the distinctively oily and almost entirely unpeated whisky that has made its name with whisky fans around the world.

698	Bunnahabhain 12yr A giant leap forward for Bunnahabhain 12yo, this edition was launched in summer 2010 with a jump in strength to 46.3% and a declaration of no chill-filtration and no added colouring. Enormous credit goes to Burn Stewart for giving punters what they want without jacking up the price too much and we earnestly hope that this will be a massive success. Bravo!	46.3%	£12.60

Following its 8 year maturation in a single hogshead cask, this was bottled in November 2016 by Douglas Laing for their Provenance range - 451 bottles were produced. Red plums, nutmeg and cinnamon on the nose, with creamy vanilla and stone fruit. A hint of crunchy brown sugar and a sweet apricot softness on the finish.

684	Bunnahabhain 18yr Bunnahabhain is known as the smoothest and most subtle of the Islay Malts, with a distinctive oiliness and whiff of sea air.	46.3%	£20.90
3748	Bunnahabhain 25yr Boisdale Exclusive Bottling “The enchanting nose of this magnificent Islay malt gives dried fruit notes with apricot and honey coming to the fore. There is a trace of peat-smoke. The palate is layered and rich with building intensity as the elements displayed on the nose develop. This is a beautifully balanced dram and a most fitting selection to help celebrate the 25 th anniversary of Boisdale.” – Doug McIvor	44%	£34.10
688	Bunnahabhain 25yr A more sherried style, with soft, creamy complexity and gentle, sophisticated palate and mouth feel. An update to the much vaunted Bunnahabhain 25 year old, keeping the same age statement and presentation but upping the ABV to 46.3% to bring it line with the rest of the range. A great whisky at 43% but even better now with a little more oomph.	46.3%	£67.10
687	Bunnahabhain 1980 30yr A very limited release of 1980 Bunnahabhain, bottled at a natural 45.4%. The liquid within has a natural strength of 45.4%, with a creamy, silky, sweet oak, liquorice and nutmeg taste with citrus notes, vanilla, eucalyptus and a hint of coconut. 686	Bunnahabhain 1968 Auld Acquaintance A legendary 1968 bottling of Bunnahabhain. Aged in sherry casks for around 34 years before release in 2002, this scored a huge 93 points from malt maniac Serge Valentin and scores over 90 points from 12 of the others.	43.8%	£244.90

CAOL ILA (COOL-eelah)

Caol Ila Distillery is a Scotch whisky distillery near Port Askaig. Caol Ila is derived from Gaelic for "Sound of Islay" in reference to the distillery's location overlooking the strait between Islay and Jura. It was founded in 1846 by Hector Henderson. Caol Ila is one of the lighter Islay whiskies, pale in colour, with peaty, floral and peppery notes. In addition to being sold as a single malt, it is used heavily (around 95% of their production) in blends such as Johnnie Walker and Black Bottle. Since 1999, the distillery has also produced a non-peated "highland spirit".

699	Caol Ila Moch Taking its name from the Gaelic for 'dawn', Moch is a wonderful newcomer from Caol Ila and is a must-try for fans of this outstanding distillery. Lighter in style than the standard 12yo expression, Moch is a fantastic easy-drinking dram. The nose is creamy and lemony, before a silky-smooth medium-bodied palate that still packs a peaty punch. The finish is dry, sooty and very more-ish.	43%	£15.20
692	Caol Ila 12yr This malt is a fantastically balanced Islay with wheat beer/cloves and wet grass/light salt fish subtleties.	43%	£15.50
697	Caol Ila 2003 Distillers Edition	43%	£20.75

The 2003 vintage of Caol Ila's entry in Diageo's Distillers Edition range, taking their regular smoky malt and finishing it in sweet moscatel wine casks for an extra depth of sweetness.

693	Caol Ila 18yr Extra ageing has calmed the impact of the phenols, with the peat arriving on the palate late, and tempered by smooth oak. A very mellow, mature Islay malt.	43%	£23.90
1246	53.171 SMWS Strangely Fascinating (Caol Ila 1991 21yr) Fragrant and exotic smoke delights the nose – also tarry ropes, sesame oil, ginger, lavender, lemon, coal and soap – saltier after water. Palate is mouth-filling and strangely fascinating – smoked pork, seaweed, ash, Turkish delight, honey, passion-fruit and sweet pickled fish.	52.7%	£26.70
691	Caol Ila 8yr 2008 Unpeated The 8 year old is the youngest special release ever offered by this distillery and is something quite unusual - it is 'Highland' in style and so completely unpeated. Made in limited quantities once each year and usually destined for the blending vats, few Islay devotees will have had the opportunity to compare this against its smokier sibling.	64.2%	£28.60
1121	Caol Ila 25yr It's nice to see growing recognition for this excellent distillery and this is a very welcome addition to the official range. With a rich, gentle mouthfeel and restrained, coal-esque phenols.	43%	£46.40
694	Caol Ila 1966 29yr Centenary of Gordon & MacPhail A rare old independently bottled release of richly sherried Caol Ila. You may only find another of these in Sukhinder's board room at the Whisky Exchange HQ.	40%	£223.00

KILCHOMAN (*kill-ho-man*)

The Kilchoman distillery is situated on the western side of Islay, near the small settlement of Kilchoman. The location made it the most westerly distillery in Scotland, until the Abhainn Dearg Distillery started distilling on the Isle of Lewis. The distillery began production in June 2005 and uses barley grown on site at Rockside Farm and malted at the distillery, as well as malt from the Port Ellen maltings and releases separate bottlings depending on the source of the grain. The whisky will primarily age in bourbon casks, though sherry casks will also be employed.

919	Kilchoman Machir Bay Machir Bay is a gorgeous sherry-finished malt from Islay's newest distillery, Kilchoman.	46%	£14.65
3976	Kilchoman Sanaig Originally released in France, Sanaig was given a wider release in 2016. Aged in a combination of oloroso-sherry and bourbon casks, this shows excellent balance between peat smoke and sweet citrus flavours.	46%	£16.65
938	Kilchoman 100% Islay Apart from the 3 years in ex-Buffalo Trace barrels this is made 100% on Islay, using nothing but local ingredients.	50%	£20.20

LAGAVULIN (*lagavoolin*)

The distillery of Lagavulin officially dates from 1816. Lagavulin is almost exclusively matured in ex-bourbon casks, meaning its fiery, uncompromising smoke and salted fish character comes storming out of the glass unhindered. Lagavulin's richly peaty process water runs down the brown burn to the distillery from the Solan Lochs in the hills above the distillery. The barley used to distil Lagavulin is malted at nearby Port Ellen and has a strong peat "reek" - it has perhaps twenty times as much exposure to peat smoke as a typical Speyside, Cragganmore. It has converted untold numbers of people to whisky-drinking and remains the firm favourite of countless malt fans worldwide.

926	Lagavulin 16yr Deep, dry and exceptionally peaty bruiser. Probably the most pungent of all Islay malts & has an extremely loyal fan base!	43%	£15.90
928	Lagavulin 8yr 200th Anniversary Released to commemorate the 200th anniversary of the founding of Lagavulin distillery by John Johnston in 1816, this eight-year-old is big and smoky, with sweet spice that becomes apparent with a drop of water. Inspired by the visit of Alfred Barnard to the distillery in the 1880s when he tried an 'exceptionally fine' eight-year-old from the distillery, this is a fitting tribute for the milestone.	48%	£15.90
3688	Lagavulin 12yr 17th Release Special Releases 2017 The 15th incarnation of Lagavulin 12 in the Diageo Special Releases, a testament to the sheer likeability and complexity of this whisky. Its relative youth compared to the phenomenally popular Lagavulin 16 can be misleading: this Islay whisky is rewardingly diverse, with smoke and fruit melded into minerality. Expect swirling layers of smoke, liquorice, charred meats and green tones of apple and sweet pear. This cask-strength whisky has been created from refill American Oak hogsheads, each at least 12 years old.	56.5%	£26.00
927	Lagavulin 2000 Distillers Edition 4/505 This is the 2000 vintage of Lagavulin's Distillers Edition, bottled in 2016. By far the most popular of the series, this double-matured Lagavulin has had a finishing period in sweet, sticky Pedro Ximénez sherry casks. A whisky that never disappoints.	43%	£26.40
929	Lagavulin 1995 12yr Friends of Classic A higher strength bottling of Lagavulin, released in 2008 exclusively to members of the Friends of the Classic Malt society. Distilled in 1995 and matured exclusively in first fill European oak sherry casks.	48%	£59.25

LAPHROAIG (laFROIG)

Laphroaig distillery is named for the area of land at the head of Loch Laphroaig on the south coast of the Isle of Islay and was established in 1815. Laphroaig has been the only whisky to carry the Royal Warrant of the Prince of Wales, which was awarded in person during a visit to the distillery in 1994. The 15-year-old was reportedly the prince's favourite Scotch whisky. Laphroaig calls itself "the most richly flavoured of all Scotch whiskies" and has a peaty/smoky flavour.

931	Laphroaig 10yr Laphroaig 10yo is a full-bodied, smoky gem, with a residual sweetness and a hint of salt amidst the sea weedy, peaty characters.	40%	£14.30
937	Laphroaig Quarter Cask A sweeter, softer, friendlier Laphroaig that still manages to excite all your senses with the medicinal peatiness in ways that only they know.	48%	£14.80
3285	Laphroaig Lore	48%	£21.40

All spirits are sold in measures of 25ml or multiples thereof.

All prices listed are for a large measure of 50ml. Should you require a 25ml measure, please ask. All whiskies are subject to availability.

Laphroaig Lore is a 2016 addition to the distillery's range. Made up of whiskies aged in a combination of quarter casks, sherry casks and reused peated casks. This is rich and classically peaty with a spicy chili bite and a long, sweet aftertaste.

1157	Laphroaig Cask Strength	55.3%	£46.30
	A giant whack of peat, tempered by some toffee-like notes. This is a powerful, uncompromising whisky, and all the better for it. A robust dram with lots happening.		
1137	Laphroaig 15yr	43%	£47.40
	Now discontinued, there is zesty oak and warm peat smoke top notes, with sweet undertones, reminiscent of fresh nutmeg and toasted almonds. Faintly salty. Laphroaig 15yo is a smoother and more elegant elder sibling to the robust 10 year-old.		
936	Laphroaig 30yr	43%	£223.00
	Famously, Laphroaig is Prince Charles's favourite whisky. He awarded the distillery his Royal Warrant in 1994.		

PORT ASKAIG (port ASS-kaig)

A mystery single malt whisky, produced on Islay and selected to demonstrate the character of the whiskies from the island. The single malts of Islay are arguably Scotland's most talked-about whiskies and are recognised for their sweet, fruity flavours and smoky, peaty character. Port Askaig is a range of single Islay malt whiskies aiming to achieve the perfect balance of these flavours and embody the unique spirit of Islay and its people.

757	Port Askaig 100° Proof	57.1%	£14.45
	100° Proof is a cask-strength Islay from Port Askaig. With notes of sweet fruit, peat smoke and minerality, this is a benchmark Islay whisky and a great everyday peaty dram at this price.		
1126	Port Askaig 15yr Sherry Cask	45.8%	£26.90
	The whisky was matured in both Sherry and bourbon casks, resulting in balanced notes of citrus, honey and classic Islay peat smoke.		
1033	Port Askaig 25yr	45.8%	£44.05
	This Port Askaig 25yo is a medium-bodied elder statesman, with the oak rounding out delicious citrus flavours. Best appreciated with a drop of water.		
1034	Port Askaig 30yr	45.8%	£58.00
	A 2015 release of the ever-popular Port Askaig 30 Year Old. Long ageing has allowed all the flavours to integrate, revealing soft smoky notes with liquorice and banana bread. This combination that involves citrus, sap, almonds, and anything coastal and medicinal, is just irresistible. 90 points – Serge Valentin,		

PORT ELLEN (port ellen)

The Port Ellen distillery is located in Port Ellen. It was established as a malt mill in 1825, and then developed as a distillery under John Ramsay from 1833 to 1892. It continued in production throughout the 1970s and was closed in 1983, where it now houses a malting which continues to supply all Islay distilleries. Port Ellen is a versatile malt, with considerable differences of style evident between different bottlings. Some sherry-casked Port Ellen can be beautifully rich, spicy, sweet and leathery; bourbon and refill casks often show a more austere, peppery medium-weighted style.

BLENDED SCOTCH WHISKIES

Roughly nine out of 10 bottles of Scotch sold around the world are blends – that is, a mix of grain and single malt whiskies. These products are the lifeblood of the industry and the liquid expression of an art form that borders on alchemy: combining myriad components to create one harmonious and consistent whole.

ANTIQUARY

John & William Hardie began their quest to create the perfect Blended Scotch Whisky more than 150 years ago. In 1888, using only the finest and rarest malts, they succeeded in creating what was considered to be superior to all other blends; THE ANTIQUARY. The name is taken from the famous Gothic novel written by Sir Walter Scott, redolent with family secrets, stories of hidden treasure and hopeless love. Today, the story continues with our range of premium Blended Scotch Whisky which is, quite simply, a cut above. From the Tomatin distillery in the village of Tomatin. Its whisky is classified as being from the Highland region, as it is 25 minutes south of Inverness.

607	Antiquary 12yr	40%	£12.50
	A smooth, well-balanced deluxe blend with the mellowness expected from a top-quality brand. Each whisky has a minimum age of 12 years, selected to combine all the strengths and subtleness of Scottish whisky at its best.		

BALLANTINE'S

Named for the founding family of the company, Ballantine's is one of the classic blends, created as the house whisky of the family's grocery in the mid-1800s. Over the years it has grown to be one of the best-selling Scotch whiskies in the world, with a flavour profile focused around single malts from Miltonduff and Glenburgie.

BELL'S

In 1851, Arthur Bell (1825–1900) began to blend various single malts together to create a more consistent blended whisky. By 1970, Bell's was the highest selling whisky in Scotland, then by 1978 Bell's became the UK's highest selling whisky. Blair Athol is the main component of the blend. Dufftown and Inchgower still figure, but Glenkinchie and Caol Ila are also components.

During the 1850s James Chivas decided to respond to his affluent customers' demands for a smoother whisky, by beginning to blend whiskies to create a blend proprietary to Chivas Brothers. Chivas Regal was the Scotch whisky requested by Sinatra.

WHYTE & MACKAY

Founded in Glasgow in 1844, Whyte & Mackay have long been associated with top-notch blended whiskies, thanks in part to their 'double marriage blending' process, and since the 1970s, to the skills of master blender Richard 'The Nose' Paterson. W&M Special was their first blended whisky and it was successful in the United Kingdom and other English speaking countries.
