## England

For years English sparkling wine has been regarded as a bit of a joke, so when two home-grown bubbliies triumphed in our 'Champagne vs English sparkling blind tasting', a few eye-brows were raised. See if you agree with our judging panel of well-respected wine writers, chefs and sommeliers that the best English Sparklers are now a genuine alternative to Champagne.

# White Wine

## Chardonnay / *The world's greatest whites*

Many people claim they “don't like Chardonnay”, but at Noble Rot we think that's a bit like saying you don't like chicken based on KFC, or disliking all music because of Robbie Williams. Sure, Chardonnay is routinely violated by all manner of unscrupulous ‘winemakers’, but in the hands of Burgundy's leading vigneronns it's transformed into wines of incomparable beauty.

## Riesling, Grüner Veltliner & related

100 years ago top German Rieslings were the world's most expensive wines. Thankfully they aren't quite as costly today, and in many cases represent some of the best 'quality to price' ratios around. Redolent with the aromas of slate, stones, citrus and even petrol, try a laser-focused Grosses Gewächs (German first growth) from a star estate like Weingut Keller or Dönnhoff, or a broader, richer style from Alsace or Austria. For the ultimate expression, try a Trimbach's legendary Clos Ste Hune; wine doesn't get much better.

# Red Wine

## Pinot Noir / *The Heartbreak Grape*

When it's on form red Burgundy is simply unbeatable. Stimulating the mind as well as the soul, although the complexity of vineyards, producers and culture in Pinot Noir's homeland can warrant serious contemplation, the region is more straightforward than many think. Aromatically less obviously fruit dominated than many of the excellent Pinot Noirs being made in the New World today, once you have reveled in a top Burgundy's sublime symphony of brambles, berries and damp earth (sound enticing?) nothing will ever quite compare again.

## Beaujolais, Blaufrankisch, The Jura and other lighter reds

We've long celebrated the similarities between Cru Beaujolais and Austrian Blaufrankisch as both are juicy and thirst-quenching with an affinity for food. We also regularly enjoy drinking Trousseau and Ploussard, unique light-coloured reds from the Jura that perfectly express their alpine-influenced terroir.

## Rhone Valley, Rhone Valley inspired and other full bodied reds

### Northern Rhone

Whether it's complex, age-worthy wines from Hermitage, Côte-Rôtie and Cornas or intense early drinkers from Crozes-Hermitage and St Joseph, The Northern Rhone is at the top of Noble Rot's 'go to' list. In youth these 100% Syrah wines smell of blackberries, black pepper, violets and graphite, whilst with age they often develop an appealing animal gaminess that's up there with the world's finest perfumes. Chanel can but dream of making a fragrance as beguiling as 1989 Chave Hermitage.

## Languedoc & Roussillon

Noble Rot might never have existed had it not been for our love for the Languedoc's two finest cult domaines: Grange Des Peres and Peyre Rose. These are the kind of soulful southern French reds we love to drink with friends: full bodied, savoury and seasoned with hints of garrigue.

### Bordeaux / *So un-cool it's cool*

# Dessert & Fortified Wine

## Sweet Bordeaux

With a name like Noble Rot, the wine list would be incomplete without a selection of top dessert wines. Noble Rot (AKA Botrytis Cinerea) is a fungus that grows on the skins of grapes causing them to shrivel and dehydrate, concentrating their sugars and rendering them perfect material for making luscious sweet wines. Our favourites are Château D'Yquem and Château Climens, both decadently rich but mouthwateringly fresh, with the acidity and structure to evolve for decades.
